Loyal Sons and Daughters of Rutgers

Another RAA Signature Event is the Loyal Sons and Daughters Gala Celebration of new inductees. This year, it was held on April 8, honoring an outstanding class of new inductees. Rutgers Football coach Chris Ash gave the keynote address. Chancellor Dick Edwards and School of Arts and Sciences Executive Dean Peter March were also there to celebrate the new class. I invite you to join this wonderful organization, and experience its camaraderie and joy in Rutgers yourself. Send me a note.....
